APRIL 2021 | FIRST LOOK

Furnishings Edition

MOMENTUM CHANGE

FIRST LOOK is first to market with a product and trends program that reflects current consumer moods, plus sets a stage for post-pandemic sourcing at Las Vegas Market. This season spotlights design that's future-focused, yet grounded in the past; serene, but also vibrant and assertive; and refined, yet lively and energetic. Colors, patterns, finishes, and styles that are holding steady, as well as the designs that are gaining momentum in the year ahead, earn top billing. Plus, additional focus areas tackle homeownership swings, 2021 color forecasts, summer celebrations, and gift-giving trends.

Attendees who register in advance and attend the livestream(s) earn CEU credits. Be sure to download both FIRST LOOK product reference guides, which attendees can use to map out their Las Vegas Market sourcing April 11-15.
