Introductions include four-piece outdoor collections with sofa, club chairs and coffee table, matching dining sets and lounge chairs.

Also introducing a new line of outdoor barstools.

Bellini Modern Living

B-670

The Italian Garden collection is the company's debut into the outdoor furniture category. Created by Italian designers and inspired by the visuals of an Italian outdoor bistro, the collection includes 15 groups that are customizable in more than 10 fabrics and frame finishes, all constructed with durable aluminum.

The company also is extending its outdoor furniture business into the hospitality segment, offering products manufactured to commercial-grade standards.
