EBB & FLOW TEA TOWEL ▲

From Claudia Pearson - LV Market, Keena Showroom, C1035

www.keenaco.com

Claudia Pearson is introducing a new collection entitled Ebb + Flow which was inspired by sweet moments in her life. Hand-dyed and screen printed 100% cotton flour sack tea towel that is made in the USA and measures 18" x 24". 2 1/2 years ago, Claudia went on her first ever 4-day silent meditation retreat. On a beautiful Fall day, she took herself into the woods to sit and paint. As she sat in silence with the wind gently blowing the leaves from their branches, she had a memory of her younger son, the previous year building a cairn (stack of rocks) in the middle of a fast-flowing river in upstate New York. His determination and focus were unwavering despite the water flowing rapidly around him. This memory is captured in the painting that was recreated on the tea towel.
