

LAS VEGAS
MARKET™

2023 Off-Market Events

In addition to the Las Vegas Design Center, select Las Vegas Market showrooms will open in between markets to provide retailers and designers access to an expanded collection of showrooms throughout the year. Many showrooms will open during other tradeshow and related events taking place in Las Vegas. Spring & Fall Sample Sales are open to the public. All other Off-Market events are open to trade professionals only.

*Events occur on campus
